

## SELKIRK RUGBY FOOTBALL CLUB

<b>Fixture:</b> 2nd XV	Musselburgh vs Selkirk (Away) 17th September
<b>Result:</b>	Musselburgh 58 - Selkirk 0

“With more injuries and unavailability with the 1st XV, the ‘A’ team once more struggled against superior opposition on Saturday, with Musselburgh 2nds running away with a 58-0 win.

The game didn’t start well when the referee pulled his hamstring from the kick off.

It was with luck that Ex Club Captain, and qualified referee Scott Tomlinson was on hand to lead proceedings for the game, which both clubs were grateful to.

However, 6 tries in the first half by the home team resulted in the Souters trailing 0-36 at the mid way point.

A further 4 tries in the second half brought the final score to 58-0, which Musselburgh more than deserved.

Special mention must go to young, inexperienced team who never gave up, and probably deserved more from the game.”
